**Onderwerp:** HE team update

Dear colleagues,

Here is the team update for this week.

❖ **BOARD ANNOUNCEMENTS**

- 3 new board decisions have updated on the HE staff page. If there are any questions, please do not hesitate to contact your section leader.
- 2025.07 "**HE guideline for selection committees for PhD and Postdoc recruitment**"
  - TU Delft currently prescribes only the *four-eyes principle* for PhD and Postdoc recruitment. As a result, the composition of selection committees has varied across the department. This new HE guideline sets additional requirements to ensure that selection committees are established in a consistent and transparent manner throughout the department.
- 2025.09 "**HE guideline for extended building access and working outside regular hours**"
  - There was no uniform procedure for granting building access outside regular working hours, which led to differences between sections. The new policy ensures consistency, safety, and transparency within the department, in line with TU Delft regulations.
- 2025.10 "**Additional Departmental criteria for VENI and MSCA Doctoral Network (MSCA-DN) applications**"
  - Both the VENI and MSCA-DN programmes are valuable but require clear departmental criteria to ensure feasibility, financial soundness, and alignment with faculty and TU Delft requirements. These additional criteria clarify how HE deals with project requests for these two programmes.

❖ **GENERAL ANNOUNCEMENTS**

- **HE Strategy session:** We reflect on a positive strategy session. Please register for the next sessions on December 11th and January 29th **by accepting or declining the Outlook invitation and responding to the email.**
- **Christmas lunch:** On December 11th (before the strategy session), there will be a HE Christmas lunch. The invitation will follow.
- **Trashcan reorganization:** All small trashcans from the offices will be removed and replaced by 3 larger recycling bins in the hallways.
- **CEG Heritage committee:** The HE Heritage committee is looking for new enthusiastic members. Please refer to the email sent on 18-11 if you are interested.

**Met vriendelijke groet / Kind regards,**

**Elske, Dijana & Jelle**
