Onderwerp: HE Team update

Good morning colleagues,

Here is the team update for this week.

❖ **BOARD ANNOUNCEMENTS**

- **Faculty MT:** Two documents will be discussed in the upcoming Faculty MT on Thursday:
 - Composition of selection committees for PhD and Postdoc
 - Policy on 24/7 CEG building access and working aloneSection leaders have shared these within their sections. Please make sure to pass on any feedback to your section leader.

❖ **GENERAL ANNOUNCEMENTS**

- **Hip hip Hydraulic Celebration:** Join us this afternoon at 12:15 on the third floor for coffee and cake!
- **Visit Dr. Jasper Franke:** On the 5th of November, Dr. Franke (Senior Editor at [Nature Climate Change](#)) will visit the faculty and give a presentation about the Nature Portfolio and publishing in Nature Climate Change (see email 21-10).
- **SSO Github website:** As some may have already noticed, it is now required to use SSO to access the Github website. Please use a VPN if you're off campus. Also, we noticed some colleagues still use the old URL (<https://teachbooks.io/he-staff>). Please make sure to use <https://he.citg.tudelft.nl/> and update your bookmark.

❖ **TOPIC OF THE WEEK**

Please note that TU Delft working facilities (equipment/furniture) may not be moved to a new room when relocating. All items are stickered and assigned to specific rooms.

That was this week's update. Wishing everyone a nice week.

Met vriendelijke groet / Kind regards,

Elske, Dijana & Jelle
