Onderwerp: HE Team Update

Good morning colleagues,

Here is the team update for this week.

GENERAL ANNOUNCEMENTS

Lab vision taskforce: Before the Christmas break, we announced the start of a Lab-Vision taskforce, which will develop a vision for our labs as a complement to the department strategy.

The taskforce has now been formed and consists of:

- Matthieu de Schipper (Chair)
- Caroline Grillo
- Davide Wüthrich
- José Antolínez
- Pieter vd Gaag

The taskforce will actively collect input from colleagues, and draft versions of the vision will be shared with the department for feedback. You are warmly invited to contribute your ideas throughout the process.

The aim is to have the lab vision ready before the summer break.

GENERAL ANNOUNCEMENTS

- **New laptop orders:** A kind reminder to consider whether you want to order a new laptop or not. As we are expecting issues with delivery and pricing in the near future, we want to process any near-future requests as soon as possible. Please refer to Joaquin's email from 11-3 for details.
- **HE Staff Meeting:** The slides of the last Staff Meeting are now available on [the HE website](#).
- **New meeting camera:** The department has [a new camera](#) for meetings.
- **MA Position:** We would really appreciate your help in sharing and promoting [the new Management Assistant position](#) within your network. There is also a [LinkedIn](#) post you can share. Thank you for your help!
- **PURE maintenance:** As some have already noticed, PURE is currently unavailable due to maintenance, which will last at least till April. More information on this can be found [here](#) on the Library website. In the meantime, if there is anything you wish to be added to (or changed in) Pure, please send an email to Pure-CiTG-lib@tudelft.nl

Met vriendelijke groet / Kind regards,

Elske & Jelle
